Dedication

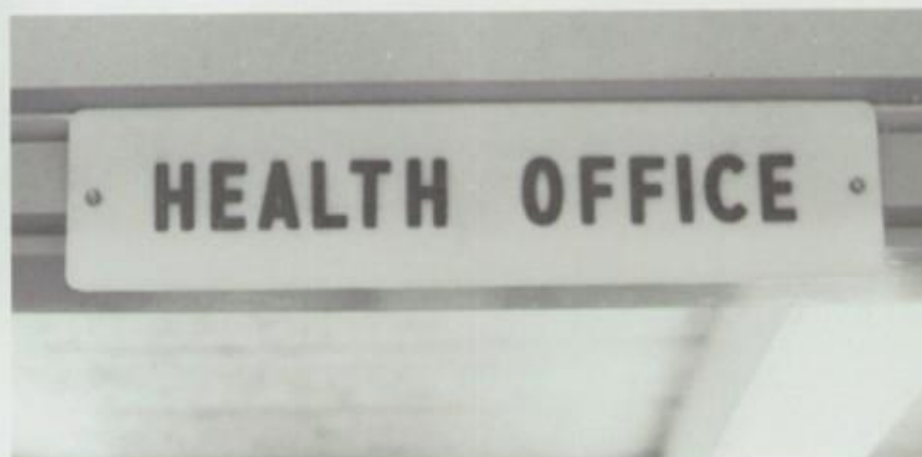

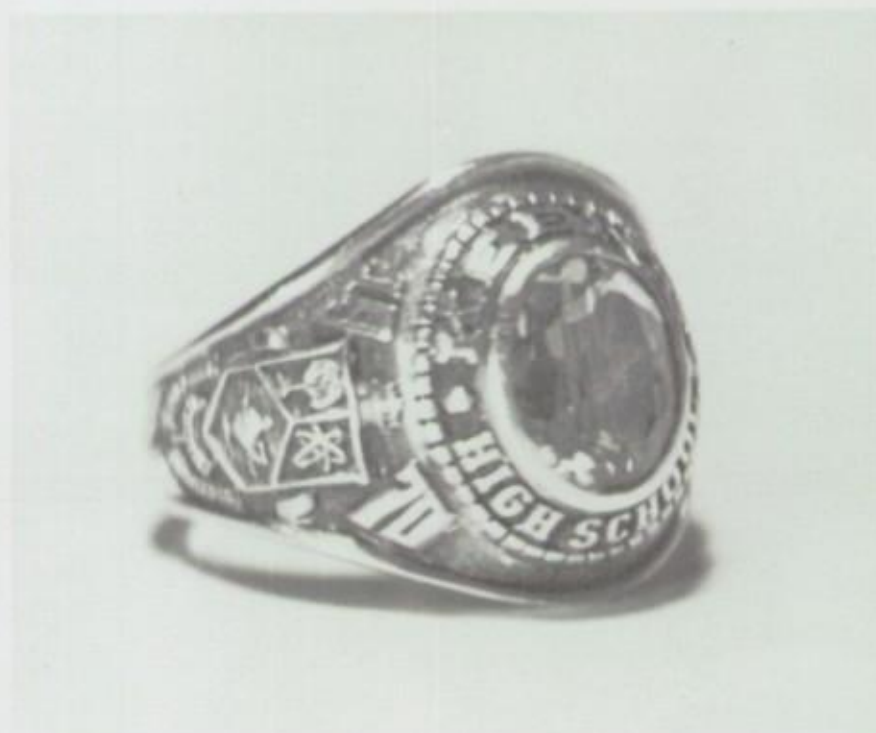

David P. Olson

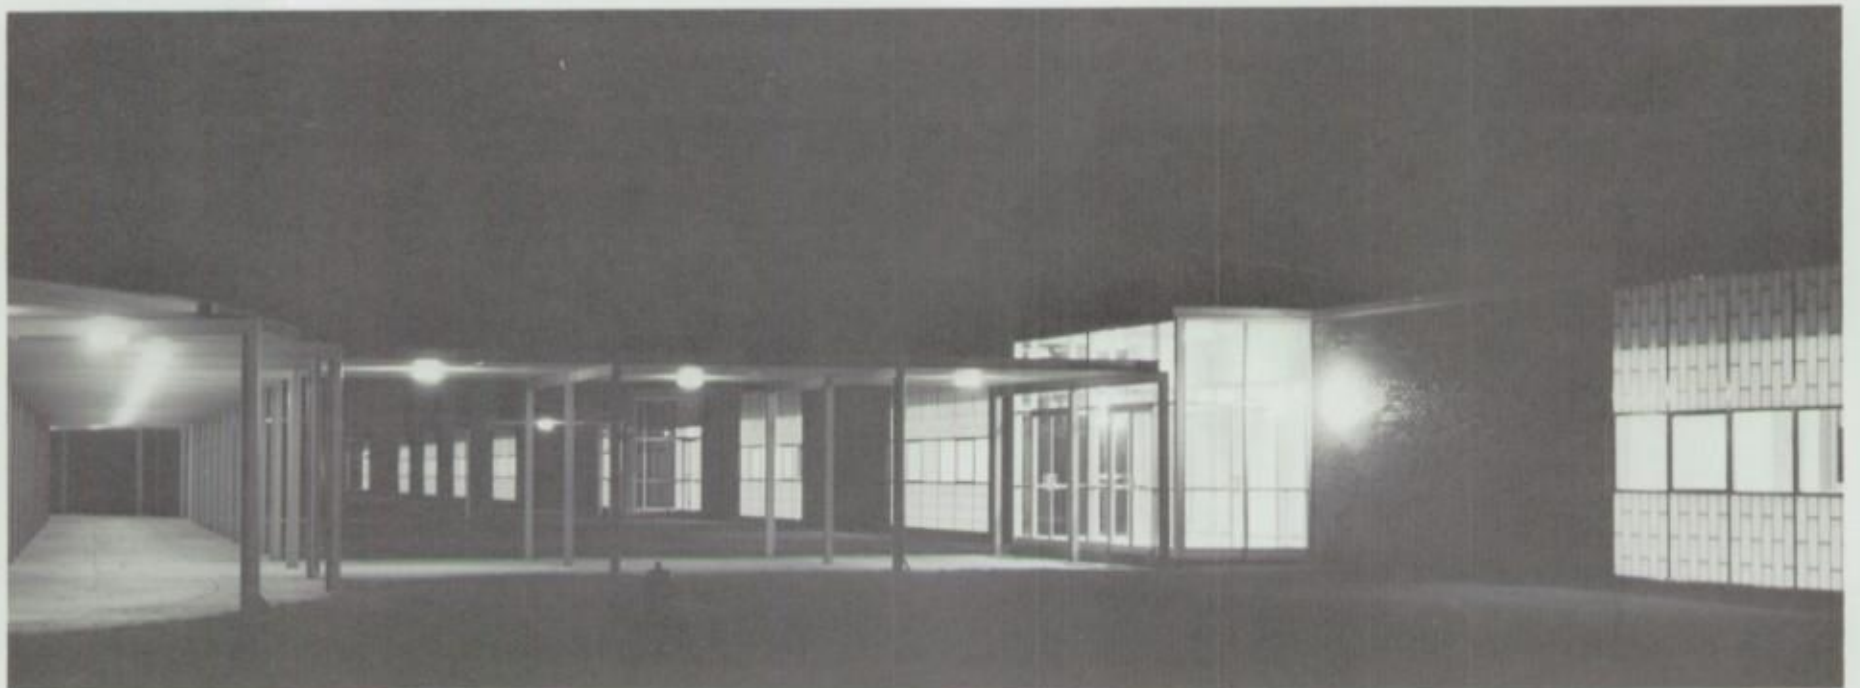

The 1984 SALMAGUNDI is dedicated to a teacher who has been teaching science at Keene High School for more than ten years. Mr. Olson has a unique way of explaining complex scientific relationships and making them sound simple, and he always finds time to aid any student who needs a little extra help. He is always patient and understanding, even when the students break test tubes, burn experiments, and ruin their test results. In spite of all these obstacles, he is able to smile and see the funny side. Mr. Olson's enthusiasm and love for his subject help to push his students to achieve their capacity and even beyond. He is able to give his students a thorough understanding of chemistry. We are pleased to dedicate the 1984 SALMAGUNDI to Mr. David Olson.

The first Keene High yearbook was published by a staff of only nine people in 1924. The book had a paper cover and was just seventy-two pages long. The original yearbook staff drew names out of a hat to decide on the name. The winner was SALMAGUNDI, which means "a miscellaneous collection of things."

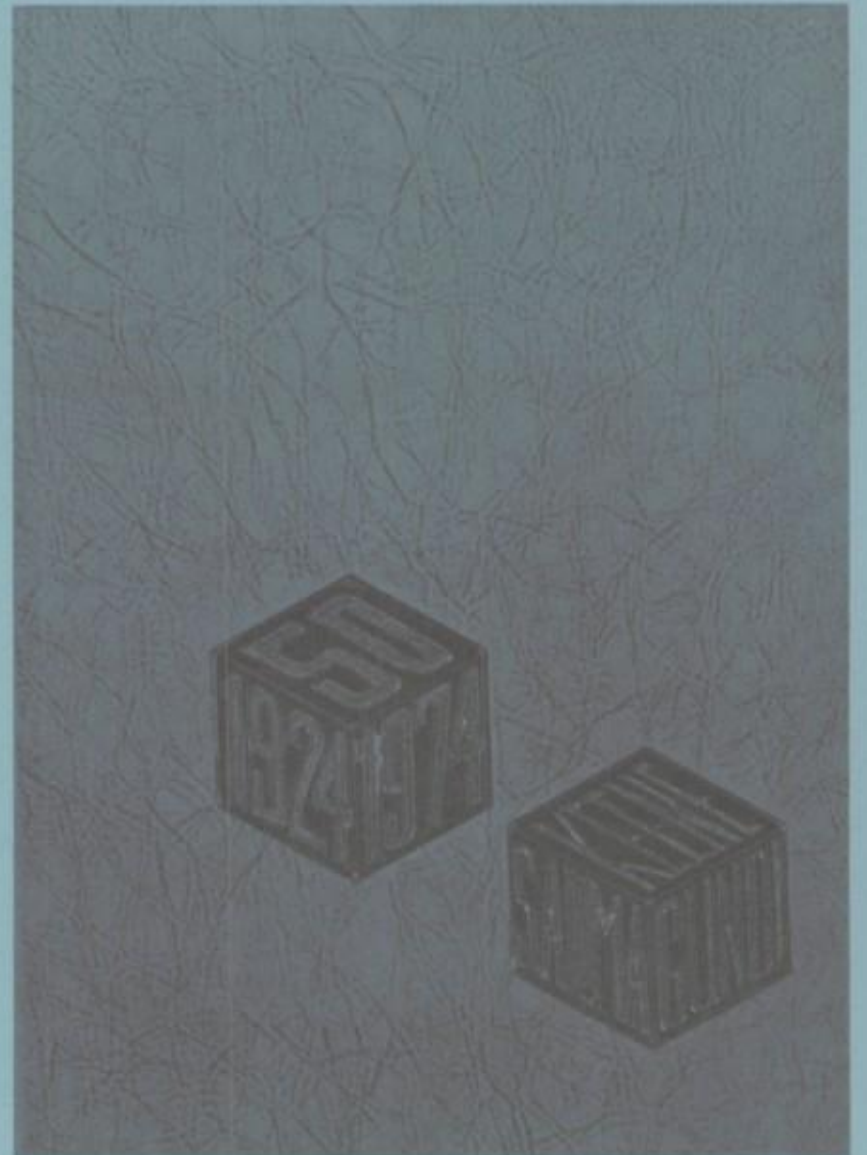

Today the SALMAGUNDI is sixty years old. It has grown to more than 280 pages and contains more than 3000 pictures. During our four years at Keene High, each of us has grown and changed. The SALMAGUNDI has changed with us. This year, old and new pictures have been contrasted to demonstrate how the SALMAGUNDI has changed and improved. We hope you enjoy the sixtieth anniversary edition of the SALMAGUNDI.

Imagine there's no Heaven

It's easy if you try

No Hell below us

Above us only sky

Imagine all the people

LIVING for today . . .

Imagine there's no countries

It isn't hard to do

Nothing to kill or die for

And no religion too

Imagine all the people

LIVING life in peace . . .

Imagine no possessions

I wonder if you can

No need for greed or hunger a

Brotherhood of man

Imagine all the people

Sharing all the world . . .

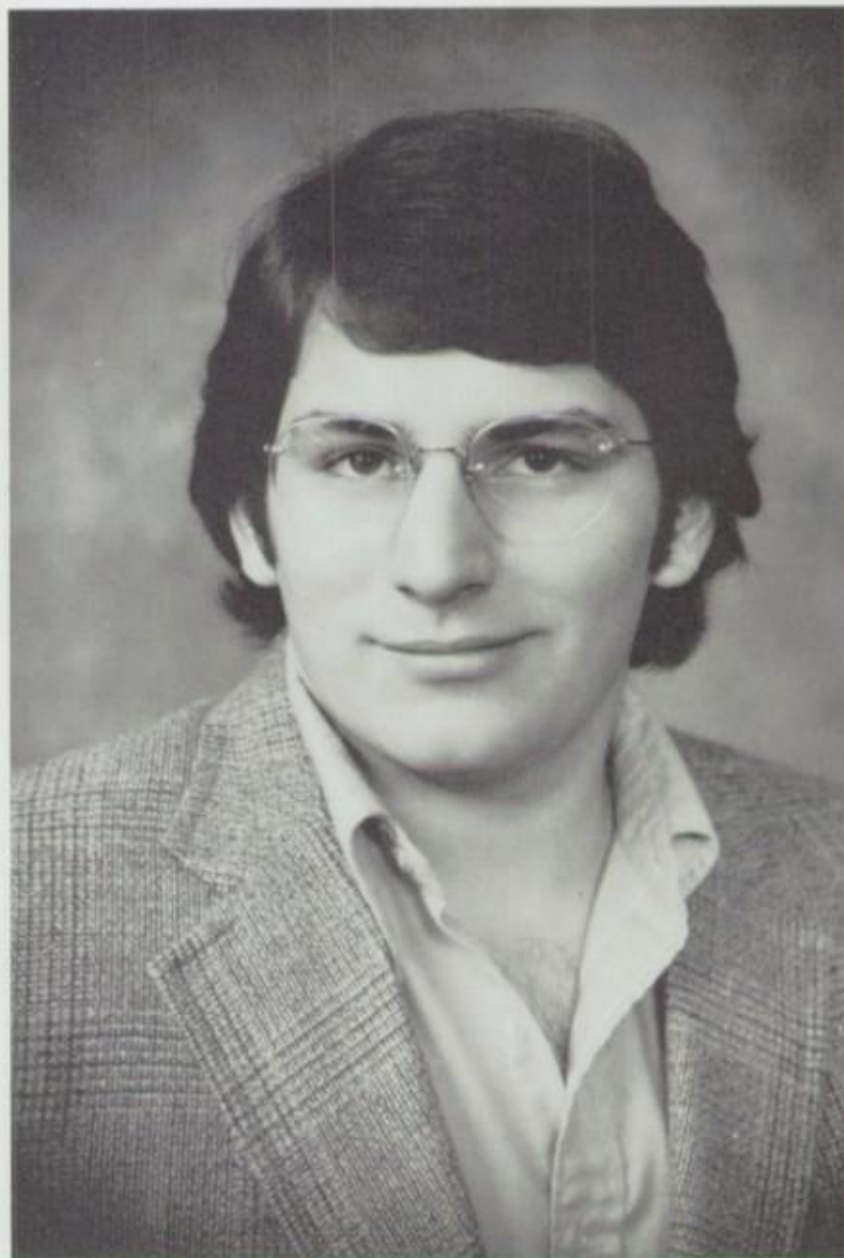

You may say I'm a dreamer

But I'm not the only one

I hope someday you'll join us

And the world will be as one

Friendship is a priceless gift that cannot be bought or sold. But its value is far greater than a mountain of gold—for gold is cold and lifeless; it can neither see nor hear, and in the time of trouble, it is powerless to cheer—it has no ears to listen, no heart to understand; it cannot bring you comfort or reach out a helping hand—so when you ask God for a gift, be thankful that He sends not diamonds, pearls, or riches, but the love of real true friends.

The Student Nursing Assistant Program changed its name from HOSA this year. SNAP is a vocational youth group which encourages leadership skills and provides the opportunity to meet with students from around the state. This year's activities include the annual Christmas party for the elderly and various field trips to health agencies. State competitions give members the opportunity to test their skills compared to other SNAP members.

*According to an old issue, the Enterprise is the oldest extra-curricular activity at Keene High School. Living up to its motto, *Esto perpetua*, meaning "Let it endure forever," the Enterprise has endured as the literary magazine since the 1890's. The magazine contains the literary efforts of the students at Keene High—short stories, poetry, essays—as well as various types of art work done by students.*

The Band won first place in the Firemen's Day Parade and traveled throughout New England to exhibitions and to a field competition in Andover, Massachusetts. The Speech Team has had a very successful 1984 season. In state, the team has consistently ranked above fellow competitors in all events. Finals, which will be held in March, look promising for the Keene team. Special recognition should be made of the senior speech members: Adrienne Antrim, Greg Blanchette, Deb Dyer, Cathy Jackson, Ken Mullen, Anna Jacobson, Todd Quinn, Bill Schrieber, and Dean Shelley. The SALMAGUNDI requires a great deal of hard work, but it is also very rewarding. Anyone is welcome to join the staff. Members learn how to layout pages, crop pictures, and do write-ups, while other members are gathering ads. Work starts in September, and certain deadlines have to be met throughout the fall and winter. The members of the SALMAGUNDI Staff would like to express their appreciation to Miss Spear for all her aid and support. We would also like to thank Miss Currie for all her help in managing the business staff.

Sean Coughlin: Less than an inch to spare.

Although the 1983 Boys' Spring Track Team did not fare well as a whole, they had five members qualify for the state meet: Jeff Holmes, Vin Stoddard, Sean Coughlin, Joe Cunningham, and Sean Smith. Many underclassmen gained valuable experience, and the outlook for the next season is bright. Jeff Holmes was the recipient of the Harold Drew award.

A very young, inexperienced team suffered through a 1-11 season in 1983. Regardless of record, the team represented Keene High School to the best of their ability and effort.

The two seniors exerted leadership, both in keeping team morale high, and in helping Coach Butler prepare the team for next year. With so many players receiving so much match time, the team should be on the upswing next year.

Bob Brennan, team #1, represented Keene in the state singles championships. Bruce Ridge was the alternate. Brennan and Joe Briggs were the representatives at the state doubles championships.

In the annual awards, the team chose Bob Brennan as the Most Valuable player for this difficult season; sophomore Mike MacDonald was named the Most Improved Player.

The lack of snow prior to the opening of our competitions seems to be a continuing problem for both the alpine and nordic teams. This year our first meet was also the first time through slalom gates for most alpine members. The jumping team also had to wait for enough snow at the Newport jumping site before getting started at their first meet also.

The Girls' Alpine Team, led again by Cindy Borden, Karen Puls, Marleen Dever, and Karen Tomasko, placed fourth in the State Alpine Meet held at Mt. Sunapee. Cindy

Borden finished fourth in the slalom and second in the giant slalom, winning a silver medal.

The Girls' Cross Country Team was in a rebuilding year. With only one senior and three freshmen and three sophomores, they were an untested group in their first meet at Tory Pines. Coach Lerner was also in his debut as coach. However, the team wasted no time proving they would be a force to reckon with as they finished first out of six teams. With Bronwyn Minton finishing second; Jane Louiselle, fourth; Whitney Prigge, fifth; and Christy Lepisto, sixth, the

young team showed depth and promise. The girls continued to do well as they lost only to perennial Division II power Plymouth.

In the State Meet held at Plymouth, Keene finished second out of nine teams in the relay and second in the individual 5 km. Bronwyn Minton led the way with a third place bronze medal. She was followed by Lepisto (8), Louiselle (11), and Amy Joslin (13) in a field of 50 girls. The four event total for the state championship put the girls' team in third place.

The Boys' Alpine Team was led by Dan Houghton, Sam Olmstead, and backed up by Norman Waal, Chad Walier, Jim Crisman, Sean Caldwell, and Pete Benson. They skied to a fourth place out of nine teams at the State Boys' Alpine Championships held at Mr. Sunapee.

The Jumping Team had a limited season with Dan Houghton as our only experienced jumper. They finished

seventh out of nine teams at the State Jumping Championships at Newport. Dan Houghton led the team, finishing fourteenth, followed by Chris Hansen, Sean Coughlin, and Sam Olmstead.

The Boys' Cross Country Team had a very good season, winning four meets and coming in second twice. Led by seniors Joel Peart and Dan Maxwell, the boys showed consistent performances despite some bad breaks (Joel's thumb and Dan's skis!). Pat Sweeney, Tim Scott, Chuck Herr, and Tom Hart formed the core of the team that placed third in the state Division II Meet held at Plymouth. Pat Sweeney skied his best race in cracking the top five and just missing a medal. Peart finished right behind him in sixth place, followed by Hart in twelfth and Herr in thirteenth. The Cross Country results moved the boys' overall place to fourth in the state competition.

Perfect form

The KHS Swim Team had another excellent season, going undefeated against eight high school teams and losing only once to a prep school team. This best season ever had a number of top quality swimmers. In the State Championship Meet Henry Baker placed first in the 100-yard Butterfly; Jennifer Ledell, first in the 100-yard Breast Stroke; and the Keene team placed first in the 400-yard Free Style Relay with Sue Dale, Jen Ledell, Cheryl Vigneau, and Jane Hartman. The Team placed third in the state overall in boys' and girls' combined events. Henry Baker was the best male swimmer for the team; Jen Ledell was the best female swimmer; and Sue Dale was the most consistent. During the season Trisha Wesley was first in all her diving competitions except one. The swim team should have another very strong year next season, as the only senior on the team is Sue Dale.

This year's team was dominated by the underclassmen. Only three members of the team were seniors, and this means that next year we should be in strong contention to return the state title to Keene High. The team placed fourth in the New Hampshire State Tourney and qualified four young men for the New England Tourney. Scott Brennan, a sophomore, became the first KHS State Wrestling champion since 1980. The dual meet record was 12-2. Team captains were Rick Page and Tim Peloquin.

This Varsity season had its ups and downs, and the season ended at 10-10, including the Christmas Tournament. The captains were Mark Filiault and Joe Morrison. Memorable games included the triple overtime loss to Salem, 59-65, and the other overtime loss to Pinkerton by three points. Two other outstanding games would have to be the two wins over Merrimack. The team record qualified it for a place in the state tournament, but Keene lost to Nashua in the first round.

The Junior Varsity season ended with a 9-8 record, but a great deal of valuable experience was gained by all the team members. Highlights included wins over Nashua and Winnecunnet late in the season after earlier defeats, two rousing wins over Central, and one-point losses to Dover and Merrimack. Many of these players will be members of next year's varsity team.

The Freshman team ended the season with a 9-5 record. The team averaged 61.5 points per game, including 54% from the foul line. Doug Sargent, Dean Holliday, and Jon Perry were consistent offensive threats scoring 110, 100, and 90 points respectively. Chris Henault has 23 points for the highest scorer in any one game. Rob Yeaw was the best rebounder. The rest of the scoring came from the awesome threesome of Sean Rich, Rick Bergeron, and Kevin Shea. Tom Dion provided super leadership in every contest. For the first time ever the team was invited to the highly rated Bishop Guertin Tournament. Only a very few teams are invited. Although Keene lost the first game, the invitation was considered a reward for the team.

In the Christmas Tourney, the team posted wins over Stevens, 16-0, and Lebanon, 12-0. The team captain was Ed Trombly. Awards were given to the following: Tom Cashman and Mark Ranagan, MVP; Glen Ranagan, a freshman standout, The Cheshire Fair Ice Arena Award; Steve Walsh, the Clarke Distributor Award; Chris Sy, MIP; and Jim Jimaki, the Coach's Award. Mark Ranagan is the school's all-time leading scorer. Jim Jimaki and Steve Walsh were appointed Co-Captains for the 1984-85 season.

The Blackbirds captured the state title with an exciting 2-0 victory over Kearsarge Regional in the state final. The season started slowly and poorly, but steadily improved. Midway in the season was the very emotional 4-1 victory over Stevens in the first annual Billy Scott Memorial Cup Match. The team had all played for Billy as JV players, and they dedicated the season to him. The season record was 9-2-3, plus 4 victories in the state tournament.

The Girls' Cross Country Team had a good season, considering the fact that the team was comprised mostly of freshmen and sophomores. Seniors Whitney Prigge and Sandy Brennan will be missed, and it is hoped that more girls will become interested and join the few who are left for next year. Led by Freshmen Christy Lepisto and Kristin Cassidy, who both qualified for the Meet of Champions, next year's team has a chance for a much improved season. Those girls who participated on this team will be remembered for their hard work and dedication to the sport of cross country running here at Keene High and for their help in the team's placing eighth at the Manchester Invitational and the Class L Meet out of 22 and 16 teams respectively.

KHS SOCCER STATE CHAMPIONSHIP

The first round of the playoffs found the Blackbirds hosting Portsmouth. Keene completely dominated the match in their 4-1 victory. The quarterfinals were played against a strong Bishop Guertin club. Trailing 1-0 at the half, the Blackbirds came back to score two third quarter goals for a 2-1 win. In the semi-final match, a determined Keene squad posted a 2-0 victory over a fine Oyster River team in a very well played match. The locals were ready to make their first appearance ever in the state championship match. Kearsarge Regional was considered the Cinderella team of the tournament, and it was a classic match-up. Kearsarge was big, strong, and physical, and Keene was quick, aggressive, and fearless. Keene scored two first period goals for a 2-0 victory and the Class AA state title. "This was a very special team. These kids had all played for Billy as junior varsity players. They dedicated the season and themselves to winning the championship for Billy."

Deciding the future.

Just as education helps us grow as individuals, electricity helps us grow as a society. The choices we make now concerning both these resources will have a great impact on everyone's future.

From Sea to Shining Sea

Still beautiful for spacious skies,
For amber waves of grain;
Still purple mountain majesties
Above the fruited plain;
But, Lord, our hearts no longer see
Your scepter o'er our land,
We followed men who promised ease,
And built on sinking sand.
Our leaders, Father, need your light,
In mercy stretch your hand
To guide us through the trackless night
And save our periled land.
America, America,
May God your faith restore
Till Father, Son, and Holy Ghost
Are praised from shore to shore.

MARKEM®

Would you like to know a secret?
We're going to let you in on one Markem
formula for success.

$$S - W + O - T = C$$

Now, do you want to know what it means?
S stands for **STRENGTHS**. Start with your
strengths: intelligence, ambition and
personality are examples.

W means **WEAKNESSES**. Subtract your
weaknesses from your strengths.

O **OPPORTUNITIES** are a plus. You may have
the opportunity to go to college, or to travel.
Or you may have a good job waiting for
you when you graduate.

T indicates **THREATS**. Health, finances or
personal problems are possible threats.
Subtract those.

The result of your equation is
C for **CONFIDENCE**; confidence in a
successful future.

Markem's strengths as a corporation can be
compared to your strengths as an individual.
Balancing the equation helps us figure out
where we stand. Your equation should give
you reasons to be confident about your
future.

Figure it out. Whether you've chosen to
continue your formal education or embark
on a career right away, go with confidence.
